Bespoke to project requirement

### WEIGHT

Bespoke to project requirement

### CONSTRUCTION

Standard: 10mm Acrylic fixed to a steel post

# DATASHEET

## HAMPER SCREEN

We offer a range of bespoke hamper screens, designed to be counter fixed, providing a protective barrier between staff and customers. The screens are designed to be spaced out to allow transfer of items while providing protection for staff from vaulting attack and company assets from theft.

### MAIN FEATURES

- Easy, clear communication
- Ability to transfer items and make payments through optional transaction gaps
- Easy wipe-clean acrylic surface
- Available as supply only or with supply and install
- Can be used in multiple applications and sectors
- A range of flexible, high-quality solutions

### OPTIONAL

- Can incorporate transaction gaps
