CONSTRUCTION

Robust steel construction with gas springs on both doors. Heavy duty pivot hinges, incorporating oilite bearings. Powder coated RAL 7028 light grey.

DATASHEET

MERIDIAN BULK TRANSFER UNITS

Safetell's Bulk Transfer Units enable the transference of cash or valuables into and out of a secure area without opening a door to the secure area. Typical applications include cash offices, retail stores, cash in transit and banks.

MAIN FEATURES

- A modular solution for the transfer of cash or valuables
- Provides safety of cash by only allowing either the inner or outer doors to be interlocked or open and both doors cannot be open or closed at the same time
- Side hung or base hung doors, dependant on model
- Can be simply and easily implemented
- Standard versions 20-25 cycles a day
- HD version up to 50 cycles a day

OPTIONAL

- Nationwide installation if required
